Port Towed to Night by Noeau,

About 5 o'clock yesterday afternoon a telephone message was received here from Waianae that a big steamer was flying signals of distress off the Waianae point and that a boat was then sel was an army transport from Ma-

Information came shortly afterward that the steamer was the Iwalani en route from Kauai to Honolulu. President Kennedy of the Inter-Island Company at once dispatched the steamer Noean, which was loading coal for a Hawaii port, to bring the vessel here and the Mikahala, then about to proceed to Kauai, was given orders to stand by and give any assistance necessary. The tug Fearless, after bringing in the barkentine Irmgard, steam ed off to Waianae and arrived there Noean start to tow the Iwalani to Ho- CORNER FORT AND MERCHANT

Captain Piltz stated that the Iwalani's rudder had been broken and he had rigged a jury-rudder, and also that an engine stem valve had burst about 4 a. m. vesterday.

The Fearless returned to Honolulu at 11:40. The Noeau and her tow came in early this morning.

The Iwalani left Anahola at 5:30 Wednesday evening. The Ke Au Hou left Kilanea at about the same time. The vessels steamed along in company for some time, and then the Iwalani dropped behind. The Ke Au Hou got in at about 10:30 yesterday morning. The Inter-Island officials immediately wired to Waianae and Barber's Point to be on the lookout for the steamer, and lest she had gone back, also sent a wireless message to Kauai. There was no sign of her at any of these places. When Kauai reported that she had not S. S. NevadanApril 30 returned, the Noeau was made ready and went to sea after her at about 5 o'clock yesterday afternoon.

H. Hackfeld & Co. have received word of another change in the schedule of the P. M. and O. & O. lines. The Doric, which cut out Honolulu on her homeward voyage, will also go by this port on her outward trip, her place being taken by the Manchuria which will sail from San Francisco April 18th arriving here the 25th instead of the 20th as previously scheduled. Just why the change was made is not known but it is probable that the Doric did not make up enough time on her last trip and that this change had to be made to get her into her proper place in the sailing order. She will leave San Francisco for Yokohama direct April

The Kennedy's Navigator.

Captain Weisbarth having stated that form, was shown to the Advertiser yesterday. Mate Krohn has been a seafaring man for twenty years and knows his business.

Irmgard in Stream.

Schmidt, arrived last night from San Grinbaum and wife, S. H. Dowsett, Mr. Francisco. She came into the harbor without waiting to be given pratique or to undergo the customs examination. The result is that the vessel is Iving in the stream off Brewer's wharf ind none of her men can come ashore until morning when the doctors will examine her.

It Was the Bear.

The steamer reported off port Wednesday night was not the Centennial but was the Revenue Cutter Bear ler and daughter, Mrs. I B. Murphy, which arrived from Kauai ports and Misses E. M. Murphy, J. T. Murphy, lay outside until daylight. On coming in she went into the Bishop slip and Mrs. Holzheimer, F. J. Underwood and will have her engines overhauled. She wife, G. R. Field and wife, S. B. made a slow trip from Kauai, bucking a heavy storm all the way.

Antuce Pails.

Flying a Chilean ensign at her foremast the German bark Antuco left her berth at the Hackfeld dock shortly after three o'clock yesterday afternoon and was towed to sea. She will go direct to Nitrate ports and load,
